5 Fashionable Dance returned after a few months break from competition last time. Won easily then after a journey in the lead. With that run under his belt, his form should be further improved. **9 Adriana Queen** was good last time when she was able to win at the end after a trip on the outside of the leader **4 Xanthis Himalaya** showed good speed second last and should not be overlooked with this good draw. **2 Can Can Broline** is not reliable but has enough speed to be in the mix without a mistake.

3 Bjorn is nice type but made just a few starts due to various problems that stopped his career. Now has a run under his belt and should be improved by that. He is fast from the start and if he manages to reach the front, he is the horse to beat. **1 Pellegrino Pellini** was unplaced last time but was fine the time before. He is fast from the start and from the lead he has a good chance. **6 Jocke Thå** was stong last time on the outside of the leader. **4 IBG Flair** followed well after a tough journey second last.

6 Young Andy had to run on the outside of the leader last time and gave up in the first start of the season. He has certainly progressed with that race and should be counted early in this company. **9 Ready West** won comfortably directly in the seasonal debut. Better with that run under his belt and should be counted early from an interesting draw. **10 French Omelette** is often in the mix and has to be considered in an open race. **4 Pommac WF** has two runs under his belt now and galloped in the battle for victory last time.

4 Caradja is a quick starter and showed second last that she likes to run in the lead. Nice draw and will go for the front here. Our pick. **7 Diamond Combo** is speedy but galloped last time when he found the lead. From the front he has enough speed for this company. **8 Current Leader** has energy left over the finish last time. Is fast but needs some luck with this lane. **3 Chimichurri** followed alright last time and is possible too from a nice draw.
