3 Ulvsåsen is eight years old made his first start since October 2022 and impressed a lot just like many times before. The stallion is certainly even better now with that run under his belt and anything other than an early lead and victory here would be a surprise. **6 Juni Blixt** was good as second behind Ulvsåsen last time. **7 Björs Balder** finished third in the Derby last year and makes an interesting seasonal debut here and his first start as a 5-year-old. **1 Norrbo Odin** has form and is fighting for a place behind the favorite.

4 Fashionable Dance found room too late last time. The four-year-old is under steady development and faces nice conditions this time. She is very fast from the start and Mats E Djuse will go for the lead and once there they have top chance. **2 Point Of View** makes his seasonal debut and the form is of course hard to predict. Showed good capacity last year and has a perfect draw. **1 Emelie** is fast from the start and faces nice conditions in this race. She has a reasonable chance of reaching the pocket behind Fashionable Dance. **5 Bangles** is better than the latest results show.

5 H.C.'s Crazy Horse was matched against the best horses of his year last season and made it to the final of the Kungapokalen. He developed all the time and has also shown good skills this season. The five-year-old is very good for his class and has a very nice task here. **6 Even's Cool Boy** has been matched in tough company for a couple of years and when he performs at his best, he is a good V75-horse for this class. **7 Donners Am** benefits from a small field and in case of over-pace he will defeat many opponents. **2 One Chance More** has good skills.

1 Hage Hauken has recharged the batteries, which should hardly be a disadvantage for him. He is good for this class, can open fast and Mats Djuse is an advantage. **10 Hibobalder** has shown good form lately and took a well-deserved victory last time. With the right trip from behind, he will finish fast. **4 Elias JL** is capable and has won four out of ten starts. He has visited Östersund once before and won then. **12 N.Sixten** is in top form and should be able to finish to victory.

8 Patriot Zon started well with three straight wins but did not convince last time. Tough draw again and will find it hard to find the lead. Our pick but not a banker. **6 Topper** followed well from the first over after a layoff last time. Could find the lead here where he scored both victories. **4 Hercules Godiva** got a tough journey last time but followed brilliantly, since he certainly needed that race. **7 Ytowns Dragon** is good for this class.

5 Bourne Dominion was splendid from the lead last time and showed that he had stepped forward in form. Now it has been announced that the eight-year-old will compete barefoot for the second time in his life. Here there is a chance for the lead, from where he has won four out of five times. **7 Invisible Sun** should reasonably be improved by the last run. The gelding is a good V75-horse and we expect a strong effort. **1 Luca Di Quattro** got locked in second last in a V75-race and will certainly get a nice trip here. **8 Blues Brother** is good for this class.
