8 Blomsterprinsen galloped last time but had four straight wins before that. Tricky number but will fight for victory. Our pick. **1 Månbest AM** has two runs under his belt and has been drawn to a good number. Can open fast and could lead this for a long time. **2 Nova Tabac** has done alright at the end. Nice draw now and possible with the right trip. **9 Lysjö Kasper** has not started since November but he has good speed for this class.

4 IDHawksspeed sprinted nicely last time after a late opening. Galloped directly in the debut, but he showed good speed after that. If he handles this this tricky number, he has a good chance to win. **5 Bordeaux Face** is not reliable at all but has good speed for this company. Should be considered early without a mistake. **8 Global Easy Going** has not started for a while but has good capacity for this class. **6 Menard** is fast from the start and can find the lead. Could cause an upset from there.

5 Observe'em has galloped in this year's both starts. Showed nice speed last year and has to be counted early. **3 Global Cryformama** returns after a longer break and the form is a question mark. He is fast from the start and gets a nice run in front. **13 Vincent Dana** was outstanding after a quick finish last time. Many opponents to round but possible with the right trip. **11 Global Education** galloped last time but showed good speed after a fast finish last time.

6 Ohh Tooma galloped directly in the last start. Did alright in the V75 before that. Used to tougher opponents and the horse to beat here. **4 Månskenstindra** made his seasonal debut last time and got locked in behind horses at the end and had energy left over the finish line. With that run under his belt, her form is certainly on the way up and she is challenging for victory here. **8 Nena Barosso** galloped last time but scored two nice victories in a row before that. **10 Toscana Southwind** has galloped a lot lately but has shown good speed when avoiding a mistake.
