## RANK

**1 Woodcutter** is our pick in a very open and rather mediocre race. He won in good style at the end of April and has finally got a good draw. **12 Oskar Run** is probably the best horse in the race, but he very rarely wins these days. New driver Ove A Lindqvist is quite exciting. **3 Gone Fishing** comes from victory but did not trot perfectly at the end. Good lane. **6 Above Ground** has a good draw too. He won last time as well and is in good form. One out of many contenders.

**1 Slotts Inger** should have a good chance in this mediocre cold blood race for mares. He comes from a superior win and is the horse to beat. **13 The Backeballerina** is the main challenger. She won very easily last time and has good speed. Not reliable though. **3 Sillre Meja** has two races under her belt and is driven by Ulf Ohlsson this time. **12 Norrlands Peggy** took a close victory second last and was strong. Returns from a short layoff.

## RANK

**2 Sessan Of Man** is our winner in this mediocre race. Henrik Svensson's horse has shown good capacity for the class and if she takes the lead, she should have a good chance. **15 Blaze Gold** is pretty good but a bit up and down. Now has two runs under her belt and should be on the way. **10 Honky Tonky Tour** comes from two good efforts from the lead. Has to attack from behind this time. **4 Organa** won easily last time but faces slightly tougher opposition now. New driver.

**8 Adele Gel** is clearly the best horse in this weak race over the long distance. She has shown good form and will probably get an offensive trip by Ulf Ohlsson. Should be able to take over the lead and then the race is probably over. **5 Heavenly In Love** won at Bergsåker in mid-May and is driven by Mats E Djuse now. **2 Super Zola** got a run under his belt last time and should be improved. **4 Tour Princess** won easily last time and is one of several contenders behind the favorite.
