10 Valencia hasn't won yet but is our idea here. She showed good speed after a big gallop last time third up. Mats E Djuse now. **12 Coming Soon** is also waiting for the first victory. Showed quite good capacity in a few races in May and June and is an early choice despite this number. **8 Global Cheerful** has not raced for almost two years. Had started well and in this company she has to be considered immediately. **4 Id Rosalin** won easily from the pocket in April. Returns after a short layoff now.

10 Aksetpia is probably the best horse in this tricky coldblood race for mares. Won easily last time in Norway. A scratch after that but certainly well prepared. **11 Sillre Meja** started her career well but has not been fit at the end. Third together with Kontio in May and he drives again. **7 Klack Silje** was second at Hagmyren in April. Has galloped after that but without a mistake she is possible. **3 Margot** is better drawn than her main competitors. Per Lennartsson this time.

3 Illfindmywayhome is good for this class and has a nice task. Has a clearly better lane than his main rivals. Per Lennartsson! Top chance. **9 No Doubt** is very gifted and set a Swedish record at Solvalla as a 3-year-old. Had energy left in his comeback last time and should be on the way up. **11 B.G.Pastor Jonte** was second from the lead last time at Oviken. Poor draw. **7 Dixiechick Hanover** had the same draw last time and sprinted quite well over the home stretch.

1 Tyson Renegade is our winner even though he galloped twice last time as a big favourite. Won from the lead at Solvalla in May. Runs with shoes again. **5 Super Express SW** comes off a surprising win at Lindesberg and should not be forgotten again here. **4 Di Ospeo** comes from Germany and had a pretty good season last year. Makes his debut in Sweden for new trainer Sybille Tinter. Hard to predict but also interesting. **2 Mister Aloha** had no chance last time but finished second and third in June.
