3 Lexington Yoda got a race on the outside of the leader last time and came in second. Good draw behind the gate and our pick in a rather low class race. **6 Mercedes Hall** was not at her best last time and can do better. Been locked in in the starts before. Early challenger if improved. **10 Like a Monster** could win last time after a late opening when the leader galloped. Speedy enough to pass many. **1 Crocus** is often in the mix and has got a nice lane for a defensive trip here.

6 Escargoat Gar is not reliable and either wins this or gallops directly. If he handles the start, he is the horse to beat. **7 Timeforreflection** was not at his best last time but can do better. The first time he won from the front and he is an early challenger if he gets there. **10 SG's Alecta** gave up from the lead last time. Is good from behind and has to be considered with the right backs. **1 Capitano Z.** showed good shape last time. Nice lane for a defensive trip now and has to be considered.
