3yo+ (Rated 0-80) £9,500 1¼m42y (2050 Metres)****RACE 1**Going: **Standard**

Left-handed, oval. Newcastle switched from turf to all-weather during the winter of 2015/16, and like Wolverhampton, the surface it uses is tapeta. It differs from the majority of the all-weather tracks in that as well as a traditional oval, it has a floodlit straight mile course, which is uphill for the final four furlongs, meaning an ability to see out the trip is essential and those who press on too early can prove vulnerable in the later stages.

TIMEFORM VIEW:

CHARLOTTE'S WEB took a big step forward when making a winning handicap bow at Wolverhampton in good style 6 weeks ago and can defy a 5 lb rise with further progress likely. RACE 7

GBI RACINGGoing: **Standard**

Left-handed, oval. Newcastle switched from turf to all-weather during the winter of 2015/16, and like Wolverhampton, the surface it uses is tapeta. It differs from the majority of the all-weather tracks in that as well as a traditional oval, it has a floodlit straight mile course, which is uphill for the final four furlongs, meaning an ability to see out the trip is essential and those who press on too early can prove vulnerable in the later stages.

Craig Lidster

William Pyle (3lb/1kg)

22040533 6 9-3 | 58.5kg

Gemma Tutty

Rowan Scott

C&D winner. Respectable third of 10 in handicap (9/2) at this C&D 31 days ago. Linger on a feasible mark and can't be ruled out in a race that lacks depth.

BETTING FORECAST:

TIMEFORM VIEW:

ALREET CHA reacted well to first-time cheekpieces when landing a C&D novice last time and the handicapper has given her a chance by not altering the mark too much, so she gets the nod over in-form pair Cancan In The Rain and Patontheback.

TIMEFORM VIEW:

CONCERT BOY is well handicapped and has been shaping up well, again travelling well in rear when third over C&D last time, so he can make his presence felt if the race is run to suit. Believe Me Now and Just Typical are obvious dangers.
