3 Great Shadow kept up the pace well last time as third. Could find an early lead for Rune Wiig and is then the horse to beat. **7 Burning Love E.P.** won easily last time and showed great form. Will be in the battle for victory despite this handicap. **5 Brazil Broline** looked fine as a locked in last time with a lot of energy spared. Should not be overlooked. **6 Piece Of Raja** was not at his best last time, but can do better. Possible behind the favorite.

6 Don't Read This came back really well after galloping in his last start. Not reliable, but has the speed to fight for victory. **1 What Time Is It** has high capacity for this type of race and will be in the mix in a faultless race. **9 Venus De Milo** won easily last time after a good finish. Would prefer high pace and could cause a surprise again. **7 Sally Carrera** does well in every start, but still has not won after six attempts. In the battle for victory with some racing luck.

3 Undercover O. looked fine last time but got locked in and is probably still in good shape. Nice draw and should have a good chance of winning this race. **1 Kasper BR** is consistent and good, but not completely reliable. In the mix if he avoids a mistake. **5 Smoking Volo** won easily last time when the main challenger galloped. Fine form and should be considered early. **7 Diamond Arrow** gave up from the lead last time after a tough journey. Should not be overlooked.

Faces good conditions and with the right journey, he could be the winner. **3 Svidd Gummi** was good second last from the front and was never really threatened. In the mix with a similar effort. **1 Erga Spik** has only one win in 48 starts, but on the other hand the horse is better than ever now. **2 Pelle Per** is quite good for this class, but gallops a lot. Will be driven from behind and can finish quickly. **5 Palemas Beauty** is better than the results show but is mainly a place bet here.
