8 Sir Aircross has done well in both starts this year and this longer distance is no problem. Our pick in this tricky race. 3 Fredriq von Soa scored a nice win and has put in two good efforts after that. Possible but this distance might be a bit long. 5 Man Of Devotion is in great shape now and the three-year-old is developing well. Early challenger. 7 Hot Bubbles has already won three times this year in eight attempts. Should not be discounted in this class.

Better conditions today and main challenger. 8 Red Reward was fourth in the last Swedish Derby Consolation and did alright. Better distance today and turf suits him perfectly. 2 Atticus is getting better and better and one out of many outsiders in this Norwegian Derby Trial. 7 Facone never started in the Swedish Derby Consolation but was improved in the last Maiden race on Bro Park.

10 Harrier Hawk was at least third in five out of seven starts last year and scored three wins over the middle distance on this surface. 4 Alsimsaam showed good form in the last race just closely defeated by Street Smart. Blinkers today and has to be considered early. 8 Couleur Cafe was a non-starter earlier this season and the form is a question mark. Normally an early challenger. 1 Lufu is a three-year-old import who has won on the Wolverhampton all-weather-track. Should be followed in this debut in Scandinavia.
