**4 Bäcklös Tili** is not bad at all and made it to the final of the Kriteriestoet. Second last she won from the lead, but she got locked in last time. She is a very quick starter. **12 Jonases Ninja** was not at her best last time, but the trainer seems to understand why and the horse has shown the best speed. **3 Konjaks Ursa** won very easily from the front second last and was not empty when she galloped last time. **9 Klack Imre** is up and down but has good skills. **3 Spader** held strongly from outside the leader against tougher horses than these. He won easily from the lead last autumn with shoes and in a nice time. Top chance. **11 Albert Zonett** is the main challenger, but despite victory last time he did not trot perfectly. Tricky number. **12 Zenato** is speedy with the right journey and likes to be driven by Jepson. **5 Light On Me** put in a good final lap last time. Ohlsson now.

**7 Flys Punk Rocker** was heavily backed in the V75 last time but galloped shortly after the start. He had been very good before. Is working well. Hard to beat. **8 Perseus Digital** is in splendid form. Second to last, he would probably have won if he hadn't stumbled with 50 meter to go. Last time he sprinted well again. **1 King of Cristal** won from the lead last time, but hard to reach that position now. **5 Wehadthemall** was not good last time but has been treated after that and is a very quick starter.
