7 Domenik Jet comes from two second spots in the V75 and faces clearly easier opposition this time. Has been a scratch though and this German driver is also a question mark. **1 Bradbee** faces tough conditions money-wise, but has a good draw as well. Early choice. **9 Miramax B.R.** is stablemate to our pick and good for this company. Needs some luck from here. **6 Zagor Grif** comes from victory in an easier race but has been a scratch after that.

3 Bengt has won eight of 16 races and is coming from a nice victory. Good draw and might be allowed to take over the lead after a while. Very good chance. **12 Amazing Nag** faces the best conditions money-wise but therefore has a difficult draw as well. Won last time and is in good form. **10 Netflix** returns from a layoff. Has good capacity for this company and should be considered early behind the favorite. **7 Milles Goofy** makes his seasonal debut and also the first start for the new trainer. Is a quick starter and gets a good trip.

2 Noosa Heads Boko won very easily second last and looked nice. Last time she gave up early and was clearly defeated. Probably wasn't fit then and normally she has a very good task here. Quick starter. **7 Hidalgo Simoni** has got locked in lately and is clearly better than the results show. Early choice. **4 Titan Journey** has two runs under his belt and is on the way up. Claes Sjöström again. **9 B.T.'s Vencor** is worth a warning. Was fourth in the V75 last summer and meets easier opponents now.

10 Önas Spartacus made it to the final of the Kungapokalen earlier this year and faces clearly easier horses now. Comes from victory and is in good form. **4 Everon** is probably the best horse in this race but he has not competed very often lately. New comeback here and hard to predict. **7 Idefix** is better than the results show. Galloped from the start in the last comeback. Should be on the way up. **11 Rocket Boy** has really made good efforts at the end. Doesn't win often but could be a nice outsider.
