**9 Il Salvador** gets the tip in this very weak race. He has earned by far most money this year and already has four wins. Early choice in this company. **2 Finseth Faksen** has done well at the end. Was third last Wednesday in a ridden race. Does not win often but has to be considered here. **5 Edens Odin** should not be overlooked behind our favorite duo. He's quite consistent and that's worth a lot here. **6 Sambo Ö. K.** has not quite lived up to expectations this year but can do better and we give him another chance.
