7 Kashmir Tonic has made two starts for Markus B Svedberg and impressed. He can do it tough and without a mistake he should have a good chance to reach the front. **10 Solkattens Star** won directly after a three-month layoff last time and even if the task is different now as he starts from a handicap, he is an early choice. **4 Back To Work** was too fiery in the lead last time, but has looked in good shape. **6 Bottoms Up Broline** is a quick starter and could get a perfect trip.
