**Summary:** KINGSClub (3) has run two promising races over hurdles so far, his latest when he was a pleasing second at this track in late October. He won on the flat and can get his first win over hurdles. He has most to fear from JUST FORTY (1) who ran well to be second at this track in mid-October in a Class 3 hurdle on his second run over hurdles after one run on the flat for experience. BLACKBIRD (6) is one for the each-way backers to look at. NIKKALUOKTA (2) looks best of the rest.

**Summary:** AMARNA (4) is a winner on the flat and seems to be improving with experience over hurdles. She was a decent fourth in a Class 2 hurdle at Compiegne last time. Her main danger could be LUZERAISE (5) who scored by four lengths at this track on her debut over hurdles in late October and can improve from that success. BITTERSWEET (3) will be in a good frame of mind after a win at Argentan and can be competitive. IRINA HAS (1) is also worth considering.

**Summary:** GUETTA (14) drops in class after running competently in better races of late. She can be competitive. BEAU CASTLE (4) has a few unplaced runs of late but is capable of being involved at the business end if emulating his run at Dieppe over fences in August when he was second. TENDRE NUIT (7) has the talent to make the frame. CYANE (6) also warrants respect and looks best of the remainder.
