Summary: XYLOPHONE (4) scooted in by four lengths at Le Croise-Laroche last month and will be difficult to beat in a similar type of race. His main threat could be EDOARDO (1) who has been consistent and only been unplaced once in five starts. His latest effort was in a Class 3 race at Parislongchamp and he can feature. NASDAQ (6) looks like a solid option for the each way backers and NASDAQ (6) is also one to consider.
