RANK

1 Ekolod got an offensive trip last time and crushed a quite easy company but showed good form. Fast after a mistake three starts ago and lighter balance now. Quick starter. **14 Make Or Break Zaz** finished fast showing 10.5/700 meters second last and faces much easier opponents here. Has to go around many horses but could definitely win this. **8 Hellcopters** has the stable been pleased with for a while and is going down in class. **9 Candle TT** will run with ear plugs for the first time here.
