1 Dana Ek is fast the first bit and from lane one the five-year-old has a good chance to find the lead, from where she has taken two out of three victories on Swedish soil. She will not be easy to beat in that case. **3 Imperator FI** has a nice draw, can open fast and can do it tough over the short distance. **4 In Love Mearas** has competed well in tough company at the end and from this lane the gelding should not be overlooked. **2 Edelweiss** is good for this class and prefers to run in front.

1 S.G.'s Alecta has a nice task here with a leading position and top driver in the sulky. The last effort was clearly approved and she is fast enough to lead this throughout. **10 Husar Brick** comes in good form, faces perfect conditions money-wise in the race and steps down a bit in class. With the right trip, he passes many horses, if not all. **11 Global De One** put in a strong finish second last and is significantly better than the latest results show. **12 Ies General** followed brilliantly last time after a long layoff. Improved with that run under the belt.

7 Kinky Rain is gifted. She found room late last time after an unlucky journey. Before the upcoming heats to the Oaks, it may be time to take the first victory for trainer Djuse. **5 Dancing Bahia** has done well in Italy and the Gocciadoro stable is starting to perform better and better after a mediocre period. **1 Date Night Tusse** is fast from the start and as the close favorite for the front the horse should be able to lead this all around. Probably barefoot for the first time, which is interesting. **2 Mellby Merry** set a new record last time and is developing very well.

1 Expo Wise As won everything as a 3-year-old but has not been as good this season. Should normally have top chance here, but we are not sure about the form. **4 Crown** won the Sprintermästaren this summer and did very well behind Devilish Hill last time. Top form and a quick starter. **7 Gigi Hanover** put in a strong effort in a top time behind Killiam Fromentro last time. Has to be considered behind our top duo. **2 S.G. 3 Guli Fantom made a big impression last time when he won in a top time. Is a top horse when he is at his best and driven by Kontio again. They have two wins out of two attempts. **12 Oppgårdsdrängen** has been very consistent and good for a long time. Most recently, he was a good fourth in the Swedish Championships behind Månlykke A.M. among others. Down in class and passes many opponents. **7 Kalmar** performs pretty much at its best every time, which is why we expect another strong effort. **8 Wolt** has good capacity for this race and could be in the mix with the right trip.
