5 Tour de Valley should have a good chance in this mediocre race. Has already five wins this year and is much better than the latest results show. Has top chance to reach the lead. Our winner. **8 Amazing Nag** is not that bad and faces easier opposition now. Micael Lindblom drives. **11 Musle Morique** has made a comeback for a new trainer after a long layoff. However, has started with two early gallops. **12 Banana Joe** faces the best conditions money-wise and comes from victory.

2 You to Wibb started with three straight wins but got injured after that. Has not competed in four (!) years and the form is very hard to predict. Certainly well prepared. Good lane. **8 Lacazette** won four races last year. Is clearly better than the latest results show and can open fast. Per Lennartsson now. **7 Bravo Vincero** was not at his best last time as a big favourite. Has got a break but should be considered straight away. **9 Noosa Heads Boko** has now made two races in Sweden. Took five wins in Germany earlier this year. On the way up.

1 Jameson KW has earned the least money but still gets the tip. He can open quickly and has taken six wins in seven attempts from the lead. Has a run under his belt. **3 Loaded Olle** is good for this class. Followed strongly as second two starts back and is very early here. **7 Mercedes Hall** took a nice victory at Solvalla in April. Returns after a layoff but should be considered immediately. Driven by the trainer now. **4 Delon Grif** wins quite often and is much better than the latest results show. Good draw and in the mix without a mistake.

9 Västerbo Exciting is better than ever and comes from two good second places after nice trips. Needs some luck from here but is our pick. **8 Naomi Bros** has done well against the best mares of her year this season. Was fourth with energy left in the final of the Stosprintern and won a heat to the Stochampionatet. Nice conditions and early choice. **12 Zenato** has been consistent and good at the end. Very nice conditions money-wise and has to be considered. **11 Appasso** had no chance behind Parveny last time but was really good before that. New driver.
