1 Mr Boenasera won easily from the front second last. Is ideally drawn here and has a good chance to find the lead. From there he won't be easy to defeat. **2 Howitends W.F.** got a good trip in the comeback, but won easily as well. With that run under his belt, the form should be even better. **8 Mooseisloose C.C.** is a good finisher and could pass many opponents over the home stretch. **10 Cameron Hills** does not seem to be in top form, but is probably the most capable horse in the field.

5 Kemper Boyd is finally starting to live up to his capacity. He showed good starting speed last time and from the front he is the horse to beat. **3 Nevermind River** still acts a bit immature. Has good capacity though and if he shows the right attitude, he should fight for victory. **1 Soulmate Pellini** is the stable pleased with. The form is a question mark and this number is a bit tricky but he has to be considered. **6 Speed Change** has always had a good reputation.

10 Be My Baby has had a lot of problems and not really lived up to the expectations. The mare has a high top level, but she is certainly not at her best yet after the layoff. **3 Effective** failed last time, but is quite decent for the class and has beaten clearly better horses than these from the lead. **4 M.T. Tomorrows Hope** looks to be in good form and has both the speed and the strength to challenge. **9 Rocket Snapper** is well prepared and runs without shoes and with a bike this time.

2 Captain Kronos has started with two straight victories for Christoffer Eriksson. He is a quick starter and has a good chance to take the lead. **9 Joint Chief** finished really fast last time and is matched in strong companies. The stallion is tougher than our pick and will give him a match. **11 King Only The One** made his debut for Christoffer Eriksson last time in a good way and can do it tough. **6 Global Delayed** should have won last time, but is still a contender in this field.

5 Colibri Jet took an impressive win last time and faces similar opposition this time. Good chance but he has earlier been a bit up and down. **6 Karat River** has high capacity and won a Group III race at Vincennes last December. He is undefeated in the lead after eight attempts. **3 Dats So Cool** has been matched in the Golden Division and is possible behind our top duo. **1 Ture L.A.** makes her debut for Maria Törnqvist and will probably get a defensive journey here.
