4 Game Brodde was closely defeated last time as second. The five-year-old has now got three runs under his belt and now we think it is time for the first win of the year. **3 Oxidizer** needed the race last time and will be sharper now. Nice draw and should be considered. **5 Run N'Cola** held on well last time as second behind Hankypanky Pinkman. Good enough to challenge for the win. **8 Akilles Face** galloped in his comeback, but this is a horse that is normally in the mix here.

3 Henessi Matter has been unstoppable from the lead in his two starts and won both times in nice style. Now debut behind the gate, but we don't see that as a problem. Our pick. **11 Jeriko Brick** is coming off three straight wins and this is a promising horse who could win again. **10 Iginla Zet** has taken the lead in his last three starts. Different conditions now. **1 Apieceofcupcake** was beaten by Jeriko Brick last time. Mainly a place bet.

9 Noa Transs R. followed well last time as second and this is a really good mare when she is at her best. Our pick in an open race. **12 Proud Mary** won easily last time and showed that the form is on the way up. In the mix with the right journey. **4 Marabou Bonanza** is consistent and good, but does not win very often. Nice draw and should not be overlooked. **3 MT Tomorrows Hope** got locked in last time and was also good the time before. Interesting challenger.

4 Karusell did alright last time and looks to maintain her nice form. The mare can open quite fast and if she comes to the lead, she is the horse to beat. **1 Josh Jaam** could finally win after several nice efforts. Tricky number here, but is good enough to fight for victory with an opening in time. **2 Ca' Belli V.W.** has looked nice for the new trainer. Inexperienced driver now, but should not be discounted completely. **3 Extra Sweet** has good capacity, but is not reliable at all.

6 Norris won via the stretch last time after a nice journey. The distance is the right one and in this form the mare can win again. **8 N.Y. Make Some Noise** has got two runs under his belt after a long layoff and is starting to approach form. Should be considered early. **2 Lookheishere** won easily from the lead last time. A scratch after that. In the mix if well prepared. **3 Fancy Free** has looked nice after a pause and is a possible contender from an appealing starting position.

3 Marcelo Vieira won a V86-race three starts ago and got locked in at Axevalla the race after. Double gallops at the end, but if he just goes flawlessly, the chance of victory is great. **4 Establishment** held well last time and looks to have found his way back to top form and he should be seen as the biggest threat to our pick. **7 Max Orlando** got locked in with energy left last time. In the mix with the right trip. **10 Edler** is good for this class and should the pace be high, the chances increase.
