2 Tigress O. has a nice task here. She has earned by far the most money this year and is well drawn. Is consistent and good and is our winner. **8 Hurricane Hydrup** is the main challenger. He was third behind, among others, our pick second last but comes from a very easy win. Good form but poor number. **7 Flamboro Downs** put in two good efforts in June and has got a run under his belt now. **3 It's About Time** doesn't win often but could be a place bet from here.

Challenger. **11 Odin Svarten** has been very consistent and good and has been at least third in ten out of eleven races. Good place chance. **13 Haugens Embla** has won four out of twelve races and she too has started her career well.
