8 Lindysintermingle is probably the best horse but was mediocre last time at Östersund. Won easily from the lead second last. Normally good chance. **9 Holly Vicy** has not won in 83 (!) races but was very brave last time. Got a tough journey three wide and still finished second. Was also good as runner-up in early June. Time for the first win now? **4 Louis BR** was second from the pocket last time and came very close at the end. **7 Scarselli** put in a good home stretch last time.
