2 Intercooler has done well in most races of late. Now meets slightly better opposition, but from a suitable starting position he should still be seen with good chances of victory. **5 Kencio Jaam** galloped last time into the final turn. Was not empty then and can get his revenge here. **9 Kemper Boyd** looks to be progressing nicely with each start and we won't be surprised if he is first over the finish line. **6 H. Pine Mahara** has got three runs under his belt after a pause and is approaching the first victory.

11 King Mr Theo has got two runs under his belt after a break and is starting to approach top form. Ridden by Jonathan Carre and the last time that happened, they won. Our pick. **1 Categorical** is a quick starter and with the last run under his belt, he could lead this all the way. **5 Missing Tooma** makes an exciting debut under the saddle and is one of the most interesting horses in the race. **7 Dynamite Light** came back last time after a long break from competition. Will be much better now.

5 Sweet Days looked nice as locked in last time. A scratch for a throat infection after that, but if the form is reasonable, the mare should be seen with the greatest chance to win the race. **7 Rokka Tiger M.G.** came back well last time after galloping and looks to maintain his form. Could cause a surprise despite this draw. **10 Ronja Muscle** returns after a short break and has to be considered immediately. **1 Network Eagle** makes good efforts most of the time, but still has not won after 26 starts. Will soon score a victory.

7 Henry Palema made a great impression last time when he disappeared from his competitors from the lead. Could reach the front again and from there he will not be easy to catch. **3 Effective** has been up and down of late. Debut over the short distance and is normally in the mix. **6 Twins Zeus** is a quick starter and will reach a good position. Should not be overlooked. **8 Jascal** comes back after a pause, but has good capacity for this class.

2 Latin Lover Helvin won easily last time and showed that the form is on the way up. He likes to race at Axevalla where both of his victories have come and from this lane he has a good chance again. **4 My Great Pretender** has good capacity, but is not reliable at all. In the mix without a mistake. **9 Good Moments** held strongly in a Klass II-final last time. Goes down in class and is one of the hotter bids in the race. **5 Baltic Sun** does not win that often and should mainly be seen as a place bet.

3 Thats So Clever has put in several fine efforts, but he has not won a race. Nice task here and from a perfect starting position the chance of victory should be great. **4 Uberty Face** is back after a pause, but this is a good horse for this class. Normally in the mix. **5 Peach** is consistent and good. If he could reach the front where three of his victories have come from, his chances increase. **2 Pontiac** is used to tough opposition and has to be considered.
