**12 Jaguar Dream** has not raced since last July but is by far the best horse here and normally he wins this despite this lane. Interestingly, he previously returned after a very long layoff (January 2021) and then he won straight away! **10 Maverick Dream** is the only serious challenger. Hasn't won yet this year but taken a couple of good second places. **7 Isi Band** won from the lead in July and wants to run there again. **9 Mr Perfection** hasn't won in a long time. Place bet.

**1 Gold From Heaven** has only made three starts but comes from a win in the lead and has a nice task here. Claes Sjöström chases the lead and once there they have a good chance. **9 King of Trotter** faces perfect conditions money-wise and meets clearly easier opposition now. Early choice. **8 Zuccezz Zack** faces also nice conditions. Won in a good way at Kalmar in May and then he also faced a handicap. **6 Madame In** has not won yet but could possibly take the lead here and should then get a nice trip.

**4 Kyrkebys Arli** is our pick because we think he could find the lead here. Got a tricky race last time but had done well before that. **12 Knox Newport** has a poor draw but won easily with Claes Sjöström from the lead in August. **10 I Am Don Max** was fourth in the V75 at Åby in April and is perhaps the best horse. Has not competed since May and is making his debut for a new trainer. New driver. **6 Goliat Brick** is in top form and an early choice with the right trip.

**8 Carrera Hall** was heavily backed last time in a V75 race but galloped in the first turn. Is the best horse in this race and chases revenge. Normally good chance. **12 Lalles Castello** is in good form and an early challenger. Followed well last time in a new record. **14 Jim Jons** has also done well at the end. Won with this driver two starts back and is possible here as well with the right trip. **4 I Am Srivilai** makes his second start for the new trainer. Is not bad and maybe Anders Zackrisson could find the lead here.
