**2 Smiley Brodda** is coming back for new and former trainer Hanna Forslin. The mare got locked in with energy left last time and she is clearly good enough to win a race like this. **6 Miss Dior CG** has done decently at the end and is one of several horses who can win this wide open race. **8 High On Life Vixi** has not started since August, but is normally a horse for victory. **5 Mogas Ballerina** has the capacity, but what about the form?

**6 Perfect Zon** is back after a pause and even if there are question marks about the form, the four-year-old should be seen with a good chance as the opposition is not the toughest. **2 Jet Cocktail** finished decently last time after a gallop one lap from the finish. Good draw and should be taken with respect. **7 Ies Furste** didn't convince at the end, but can do better than that. Always an outsider. **3 Västerbo Mi Amore** has not impressed for a long time, but will now return after recharging the batteries.

**8 Sir Flax** galloped twice in the last run and the form is difficult to predict. Good capacity though and with the right journey from the eighth lane, it could be good enough for victory. **9 Clementin** did not convince last time, but got locked in the time before. Speedy with a defensive journey and should not be discounted. **4 Ayra** has not started for a while, but has a nice starting position and should not be underestimated. **11 Dear Ronja** can't use her starting speed from here, but is good from behind as well.

**4 Tom's Got Drive** never had a chance in a tough V86 race last time won by Erik The Phantom. Stepping down in class and should be seen with the greatest chance to win this race from a nice starting position. **2 Becker** is a quick starter and goes for the front and from that position he has taken four of his total seven victories. Leads the race for a long time. **11 Lawina** has good speed, but is not reliable. Fights for victory without a mistake. **12 Miss Mighty** is good for this class and is possible here despite this starting position.
