5 Double Deceiver is undefeated in four starts on Swedish soil. Top horse who now makes an interesting seasonal debut. Nice task and good chance to win. **4 Bedazzled Sox** has completed the seasonal debut and should be improved now. Aiming for second spot behind the favorite. **3 Following** has not convinced lately and the form is a question mark. Normally not good enough to win this. **2 Letsdoit** gets a defensive trip on the inside and could be a place bet here.

10 Ramstad Balder never had a real chance last time, but met, among others, Tangen Bork. Tricky number here but face much easier horses and should have a good chance to win. **3 Brenne Rön** has got two runs under his belt after a break and is on the way up. Nice draw and should be considered. **6 Baías** won very easily last time and is likely to be even better this start. Jorma Kontio in the sulky is interesting. **8 Järvsö Kurt** has good speed and should be considered but needs some racing luck with this number eight.

6 Bottnas Jake makes the first start for Daniel Wäjersten, which is of course interesting. The stable sounds satisfied with the preparations and the five-year-old should be seen with the greatest chance to win this race. **5 Flys Punk Rocker** took the first win last time, which was well deserved. In the mix again with a similar effort. **1 Bravo Victorio** did well last time and is on the way up. Barefoot now for the first time. Should be followed. **10 Knockout Keeper** looked to have some energy left last time. Fast enough to fight for victory.

7 Make it a Star followed decently last time in a V75 race. Good win last time and should have the best chance to win when she faces easier opponents this time. **3 Edsinette** followed well last time after a tricky race. Could find the lead here and has to be considered early then. **2 Fossens Wilma** was in the same race as Edsinette last time and could not challenge her. Can get revenge here. **11 Mitzy Gold** comes from a ridden race and didn't impress. Good for this class and should be considered despite this draw.

1 Global Evidence came back after a short break last time and had some energy left. The mare can open quickly and should be reach the front here and is the horse to beat then. **11 Global Easy Going** galloped under attack last time but looked really nice. Main challenger to the stablemate. **12 Diva Lane** galloped last time, but is good for this class and should not be discounted despite this number. **9 Kopparmärren** was improved in the last run and scored a strong win. Could cause a surprise again.

2 Danville is an interesting 3-year-old who has already shown fine capacity. The stable is optimistic and the horse is working well before this start. Nice draw and top chance to win. **10 Coolman Evo** has scored both victories from the lead, but is also capable of winning from behind. **5 Date Night Tusse** won last time from the lead. Finds it hard to get there now, but can't be discounted completely. **7 Global Forcast** came back after a pause last time and with that run under his belt, his form should be improved.
