**5 Finn Palema** has a nice task here. He finished alright last time behind Judge Dredd Sisu and faces easier opponents now. Good draw. **6 Benita Winner** met Celiáz last time in a bigger race at Tingsryd. Clearly easier opposition now. Should be considered early. **2 Kick the Dust Ås** has done decently at the end and he too has faced better horses. Quick starter. **8 Demolition Man F.** has earned the most money in the race and kept up the pace approved last time. Bad lane though and needs some luck.

**2 Jeu Set et Match** never had a chance after a quick finish in his comeback after a very long layoff. Definitely better now. Our pick. **7 Holliday Sisu** looked a bit slow second last but finished nicely in third. Same driver now and early choice in a mediocre race. **6 Baltic Sun** has a run under his belt and should be improved. Can get a good defensive trip from here. **9 Razer by Knukebo** is the only horse who has won this year. Seems formless though. Should be considered early in this company.

**2 Kheops de Sajan** has been second and third at the end and that is worth a lot in this race. We think that the horse will be in the lead after a while. **9 Mary Ash** was brave last time despite a tough trip. New driver now and quite an interesting draw. **3 Index Magi** was never in the fight for victory last time but is certainly improved with that run under his belt. Driven by the trainer. Early choice. **7 Pa Dibba** finished alright last time after an inside trip. Aiming for a similar run here.

**2 Classic Saar** won a total of four races last year and that is worth a lot in this field. Wasn't at his best last time but we think he should have a good chance here in this mediocre race. New driver. **11 Classic Pan** is also good for this company. One win and four second places last year. Did alright in two races in April. Early choice here. **3 Västerbo Marbre** sprinted quite well to a fourth place last Tuesday and can surprise with a similar trip. **1 Fighter Newmen** is quite fast and gets a good trip.
