4 Marabou Brodda faces nice conditions as a mare and is well drawn too. She competes a lot with shoes, is fast from the start and has won two out of five over the short distance. Our choice. **6 Smile Silvio** has been strong and made a lot of money. Got a well-deserved break, but uses to do well after a layoff and is certainly well prepared. **10 Dareios Di Poggio** uses to finish well but got locked in with energy left in the Sylvester race last time. Would prefer quick pace. **1 Immigrant Am** faces nice conditions for a perfect trip.

1 Fairplay showed the right attitude in his debut under the saddle second last and won very easily from the lead. Tougher opposition this time, but should have progressed. Good chance. **3 Walk Of Life** likes to race under the saddle and has been on the podium in six out of eight ridden starts. **2 Flashing Smart** has not been at his best recently. Interesting with new jockey here! **5 Daddy Pop** won easily over the home stretch last time and should be even better now.
