3 Tremendously should have a good chance to win here. He got locked in with a lot of energy left as second last and finished nicely as fourth second last. **5 I'm All In** made the most money last year. Has been quite consistent and good at the end and is an early choice in this company. **6 G.G. D'Asti** followed quite well from outside the leader last time and is not that bad. Possible if the favorite is not at his best. **1 Love It** didn't win a race in 18 starts last year but has done alright at the end and this number is nice.

7 Tangen Stina has started very well and shown good speed. Was third last time despite galloping as a big favorite and is looking for revenge here. **2 Lystad Loke** galloped on his way to the lead last time. Had done really well before that and should have a good chance here. Nice draw. **5 Elskerinna** has been consistent and good at the end without winning. Is at least a place bet here. **8 Sjöli Kvikki** has not won yet after 29 starts but is getting closer. Difficult lane though.

5 Millstout have done very well so far and was third last time against better opposition than this. Nice lane and our winner. **1 Oksamit W.H.** comes from victory but has had a layoff since then. Good draw and challenger. **2 Kickback** has also started well. Is consistent and should be considered early behind our favorite duo. **7 Jaro G.D.** beat Kickback second last. Doesn't win very often but has done well at the end.

6 Leandro Boko is our idea here. He was second in his comeback last time and found room too late then. Run under his belt now. **5 Symphonie Classic** is quite consistent and good and has got a nice lane. Challenger. **4 Thai Harlem** faced too tough opponents second last and was not completely empty last time. Pretty good before that. Possible. **3 Max Eagle** is clearly better than the latest results show. He made by far the most money last year. Should not be overlooked.
