RACE 1

Going: **Standard to Slow**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

Draw: **N/A** Pace Information: **Very Weak**

Charlie Johnston

Jack Mitchell

Returned to winning ways in 9-runner handicap at this course (12f, AW, 4/1) 6 days ago, quickening up well from the rear. Carries penalty but looks capable of following up with yard in good form.

BETTING FORECAST:

2-1 Knockbrex, 11-4 Hitched, 7-2 Epsom Faithfull, 13-2 Vibrato, 9-1 No Surrender

TIMEFORM VIEW:

KNOCKBREX bounced back to his best with a ready success at this course last week and he looks to hold leading claims under a penalty. With his yard going well, he can see off the challenge of 4-time course winner Epsom Faithfull, while Hitched also arrives in good form and could be in the mix.

GBI RACINGGoing: **Standard to Slow**

Lingfield's left-handed all-weather track is laid out inside the turf track and, measuring just less than a mile and a quarter round, is essentially sharp in nature. This, along with how the races often pan out ensures that stamina is rarely at a premium and strong-travelling types with a turn of foot are often favoured. Predominantly flat, there is a slight downhill turn in to the straight. At shorter trips, prominent racers tend to outperform those ridden more patiently, though there seems little advantage over further. Lingfield's surface is polytrack.

TIMEFORM VIEW:

INIT TOGETHER made a winning debut for Tony Carroll at Wolverhampton 5 days ago in the style of one who will enjoy more success before the end of the AW campaign. He's taken to follow up at the possible expense of Come On John, who has been in top form but will need to settle better than he did at Newcastle last time. Harlington and Dubai Harbour are also considered.

TIMEFORM VIEW:

FOREVER PROUD continues to thrive and had something in hand at Wolverhampton 2 days ago so, despite the quick turnaround, she's fancied to add to her tremendous strike rate for this yard. Royal Observatory looks the main danger and Major Major isn't without hope.
