TUESDAY, 09/04/24

Summary: It may be best to take a chance on CALAS (14) who tries a handicap for the second time and is racing off a good weight. The top-weight MAGELLAN (1) could be the biggest threat as he is usually involved at the business end and ran well at this track last year when second. KHOCHENKO (10) is also one that tries hard and can not be ruled out of the frame. I'M A BELIEVER (8) is one that can not be ignored and should have a say in proceedings.
