RACE 1

Going: **Standard**

Chelmsford City (first opened in April 2008 under the name Great Leighs) has a polytrack surface and is essentially galloping in nature, having broad, sweeping turns. It is a left-handed track of just over a mile in circumference, with seven-furlong and one-mile races starting on different spurs. Since re-opening, prominent tactics have proven an advantage, all the more so in fact over sprint trips.

14 DECLARED RUNNERS

**BETTING FORECAST:**

**4-1** Royal Alliance, **6-1** Akrramm, **8-1** Elements of Fire, **10-1** Raafedd, **10-1** Wilhelmina, **11-1** Beccali, **12-1** Breakdancer, **16-1** Dance In The Storm, **18-1** Boubyan, **20-1** Estmrar, **22-1** Keble Spirit, **33-1** Hymnbook, **66-1** bar

**TIMEFORM VIEW:**

Plenty of depth to this so conceding a penalty won't be easy for ROYAL ALLIANCE, but he was quite impressive at Newcastle so he rates the percentage call. Akrramm ran in a hot race on debut so is sure to improve, while there are a plethora of interesting-looking newcomers, notably Elements of Fire and Breakdancer.

Preference is for DUBAI MAGIC, who went close on her nursery debut at Wolverhampton and she wasn't seen to best effect here next time. Apple's Angel duly left the form of her qualifying runs well behind when scoring on her first run in a nursery over C&D nine days ago and she is second choice ahead of Piranha Rama and Oasis Sunrise.

 Fourteen runs since last win in 2023. Unseated rider in handicap (9/1) at Newbury (12f, heavy) 14 days ago. Had been shaping up nicely prior to that and has a solid AW record, so strong claims in first-time blinkers.

**Owen Burrows** **Jim Crowley**

Useful gelding, completing AW 4-timer at Lingfield in March prior to an excellent second in Easter Classic later that month. Lightly raced on turf this summer and should be sharper following a solid third in listed company at Kempton (12f) on Monday. Plenty to like back at 1¼m.

Winless since landing Cambridgeshire in 2022 but plenty of creditable efforts to his name, including when third on July Course (10f) this summer. Not seen to best effect having raced near side when midfield in aforementioned race 6 weeks ago and this his first try on synthetics.

**Robert Havlin**

Improved another chunk when shedding maiden tag in a Windsor novice (1m) in June, edging out his stablemate who tasted success next-time-out. However, forcing tactics were a shade overdone in a rough race at Goodwood on handicap bow in August and he remains with potential (gelded).

**TIMEFORM VIEW:**

Dual C&D winner PENZANCE lines up 3 lb lower than when second at Newcastle in the spring and, with an encouraging third in listed company behind him at Kempton on Monday, he's very much of interest returned to this shorter trip. Intricacy has been absent since winning at Meydan earlier this year but is worth a second look for the Crisfords. Low-mileage 3-y-os Westridge and Salamanca are others to note in a good quality affair.
