5 Lucky Di Quattro is coming back after a longer break and even if his form is hard to predict, he should still be seen with good chances to win. **4 Jaguar Hall** started the season with two straight wins and if he has found the same form now, he is a horse for the battle for victory. **6 Dixie Dick** possibly prefers the short distance, but with the right trip, the eight-year-old has good speed. **2 Floats Clouseau** has taken three of five wins from the lead. Has to be considered if he gets there.

3 Jist On Light Boy set a nice time in the last race and with a similar effort now, he is an early contender from a perfect starting position. **4 Innovation** has not won a race yet, but in this wide-open race the four-year-old should still be seen with good chances. **2 Sandefjord Palema** mostly just keeps up the pace without really fighting all the way. Possible anyway with a perfect journey. **6 C.Mon Ligus** did not convince last time, but can do better than that. Contender if improved.

1 Brescia puts in consistent and good efforts, but does not win very often. Nice draw and our winner in a wide open race. **3 Amazing Riverside** meet too good horses last time, but now he could reach the front and in that case he leads the race for a long time. **12 Listas Ice Glide** didn't convince under the saddle last time. Difficult starting position now, but should still be able to be in the fight for victory. **7 Georgette Zet** is a constant outsider. The mare has good speed, but is not reliable at all.

6 Dream Creation comes back after a long layoff and there are of course question marks around the form. Good for this class though and should still be seen with the greatest chance to win this race. **2 King Kong** is clearly the best in the first circle and from the lead he will control the race for a long time. All the way? **12 Isi Band** never had a chance from far behind last time. Can open fast and reaches a nice position. should not be overlooked. **7 Total Recall** did not convince last time, but can do much better than that.
