**6 Mjölner Borken** came from too far in the last race and could not win despite a good finish. Faces a nice task and should have good chances to win. **1 Ingvar** is a quick starter and has a good chance take the lead straight away and then he is the horse to beat. **12 Skeie Trym** followed well in the last race and was also good the race before when he won a ridden race. Can open quickly and will reach a good position. In the mix again. **7 Mjölner Loke** owns quite good speed and will be interesting to watch with Magnus A Djuse.

Has the capacity to challenge. **2 Adriana Queen** is coming back after a long break and even though there are question marks about her current form, she should not be discounted. **9 Provence Decoy** is on the way up and could surprise if the favorite makes a break.

**4 Rocky Brodde** impressed in his first start for Troels Andersen. He has shown good form after that too and in the last race he passed the field in the final turn. The six-year-old is too good for this class and could lead this from start to finish. **5 Mozart B.R.** made it to the Norwegian Trotting Derby two starts back and is capable for this class. Interesting debut for this trainer. **11 Electra Winner** has shown good form and held strongly from the lead in the last race. Djuse now! **7 Flys Punk Rocker** finished second in the last race but is in good form.

He might need this race though. **9 Coin Master** has been matched in tough company for a while and is an early choice here too. **2 Gooding B.T.B.** is speedy and has good capacity for this class.
