10 Lesja Lekker is our pick in this mediocre cold-blood race. She won last time and has done quite well so far. With the right trip she has a good chance against this opposition. **12 Sjövoll Svarten** won second last and despite this double handicap, he is an early choice here. **9 Graffer** needed the last race. Had not raced for over two years prior to that and is certainly improved now. **3 Madonna J.L.** is fairly consistent and good and is possible if the best horses would fail.
