3 Kencio Jaam comes with two strong wins and before that he galloped on the way to a clear victory. The form is top notch. Nice task for Moberg's 4-year-old. **9 Proud** has the right attitude and put in a strong effort and a nice recovery after a gallop over the home stretch. Has a really fast finish. **6 Tjurkhults Diamant** has shown clear upward form lately but might have to do it tough on the outside of our pick. **8 Tintarella** is good for the class but needs a bit of luck from this position.

7 Vikens Lovekill is very tough and also comes from a strong effort where he finished 10.9/1000 meter. Tricky number but he can do it tough. Our winner despite some good opponents. **6 Kemper Boyd** was not at his best last time and can do better. **4 Soulmate Pellini** is better drawn than our top duo and the stable is pleased. **5 Time For Me To Fly** is consistent and has been matched in tough races during the season.

11 FBI scored a good victory three starts ago and showed great speed over the home stretch. Good driver too for this type of race, which is really important. **5 Latin Lover Helvin** came back strongly after an early mistake last time. Good form and our favorite for the lead with this number. **12 Nolby Palema** owns good capacity for this class and sprinted fast last time. **9 She's A Lady** is without a win but followed surprisingly well behind winner Cross Lane last time.

1 Nice Steel started promisingly but has now shown everything lately. The four-year-old can do better and will now be equipped with ear plugs for the first time. **3 Com Bella** has never won, but she makes strong efforts every time and gets closer and closer to her first triumph. **2 Wingsuit** faces suitable conditions for a place in the mix even if the opposition is getting tougher. **8 Mindyourlove W.F.** might own the best capacity in the field, but she is a bit tricky. If she avoids a mistake from the start she has to be considered.

Easier horses now and she only meets mares. **3 Peak Of Cake** has started in a nice way and took the first victory of her career last time. Good draw and getting better with each start. **4 Agarita** made it to the Uppfödningslöpning but met too tough there. Easier now. **10 Alba Töll** is not bad and used to travel.

1 Global Education is matched in tough companies and steps down a bit in class. Last time he galloped over the home stretch with plenty of strength left and looked great. Tricky lane, but should get a nice journey. **11 Golden Crescent** has a good record with Goop and got a useful run under his belt last time. **2 Jaxon Schermer** owns good capacity and with three runs under his belt after a yearlong absence, he should start to find his form. **3 Henry Palema** prefers to run in front and opens fast from the start too.
