RANK

9 Id Rosalin is our winner in this mediocre race. She has already two wins this year and is clearly better than the latest results show. Good chance to beat these horses. **6 Chiquitita Creation** met too good horses last time. Easier now and took an outstanding victory in November. **7 Viking Classic** has been quite consistent and good at the end without winning. Probably without back shoes now. **8 Mon Amour** comes from a close win from the lead. Has to attack from behind this time.

3 Kaspian T. has done well and is coming off his first win. He won despite galloping and showed good speed for the class. **5 Kolbu My** won very easily last time at Arvika and was clearly improved. Didn't get an easy race and is the first challenger. **4 Sundprins** was more heavily backed than Kolbu My last time but never had a chance after galloping. Better conditions now. Won easily at Rättvik in May. **6 Min Bolt** finished nicely after an unlucky run second last. Could cause an upset with the right trip.

1 Björn Borksson has started with two straight victories and looks to be clearly talented. Should have a good chance to take another win from here. **5 Björlimindi** has also started well. Has finished fast in both races without being able to threaten. **8 Eide Borka** is not reliable but has shown good speed after a gallop. An outsider. **10 Skar Mina** and **9 Dag Schuvar** face a 20 meter handicap and should have a hard time challenging our favorite.

2 Lille Halvor did well from the lead last time at Rättvik and set a good time for the class. Our winner. **3 Höiby Kabben** is 15 (!) years old and has certainly deserved a victory. Possible but needs some racing luck. **4 Komnes Faksen** looked to be on his way to victory last time but had to give up at the end. Has only one win in 32 starts.

3 Aske Balder becomes a huge favorite here and that is right. He is coming off five straight wins and hasn't been close to a defeat. He has already five wins this year. **4 Kjölstad Modin** is quite consistent and good but had no chance against our pick in July. **5 Eik Best** doesn't win often but could be a place bet here.

4 Jonathan Star is our pick in this open race. He hasn't won yet but is coming from a second spot. Took a total of six victories last year. **8 Leandro Boko** was more heavily backed than our pick last time but galloped. Chases revenge here but is poorly drawn. **2 Herman** does not win very often but is consistent and good. Excellent draw and one out of many contenders. **7 Daddy Pop** is worth a warning.
