RANK

8 Arn Silvio followed well as fifth in the V75 last Saturday and was just closely defeated. He had been working well before that too. Much easier here and should be considered early despite this tricky draw. **9 Sodasquare** warmed up brilliantly before the last V86 race and after an early lead she won easily. Strong finisher. **11 Nightingale** is interesting in the first start for a new trainer. The horse is used to very strong opposition but gets a nice trip. **2 Steady Roger** makes his second start for this new trainer and can reach the lead.

12 Skeie Balder met top horse Majblomster second last but last time he won in the V86 from the lead. Much easier now and top chance. **3 Stella Polara** galloped at the end with energy saved last time and sprinted nicely to victory before that. Can lead for a long time here. **8 Norrlands Blomma** is nice and got locked in with lots of energy saved last time. **14 Zicken En** looked great last time from the lead and scored a superior victory.

RANK

12 Kiwi Sisu is the best horse in this field and put in some really sharp performances in the early summer. He trains really well after a short break and meets easier horses than he is used to. **2 Letthecowboyside** won the ridden race last Saturday but is also a good sulky horse and won in the V75 for the former trainer. Is in great shape. **4 Bottnas Impuls** galloped last time but has good form. **1 Kattis Palema** is a quick starter and from this position the driver can choose the tactics.
