1 Pedal to d'Metal is our favourite for the lead and from the lead he will not be easy to beat. The only question mark is that he has been scratch for a cold after the last race. Top chance. **5 For Sure Aldebaran** actually beat our pick in September and with the right trip he can do it again. **6 Cheyenne Face** took his first win in 27 starts last time. Had shown good form even before and should be considered behind the favorite. **7 Global Excellence** is not reliable but has shown good speed for this class.

1 Royale Tooma faces tough conditions money-wise but is our idea here. She can open quickly and has a good chance to take the lead. Very interesting there. **3 Lafayette Kronos** challenges, probably both from start and at the end. Won from the lead in September. **8 Fralissa Ridge** won last time together with Tomas Pettersson. Difficult lane. The tactical plan? **6 Urasie** has not won yet after nine attempts. Was second with just Jorma Kontio second last. Outsider.

13 Picobello is our idea. He got an inside trip after an early mistake last time and finished quickly to fourth. Was not empty and looked nice. Hopefully gets an offensive journey. **4 Sign Me Up Yankee** was interfered to a mistake last time but had shown good form before that. Now driven by Mats E Djuse and looks for revenge. **11 Wittgenstein** has seven wins in 17 starts. Early choice in this company but has not competed since April. **1 Mago Launcher** faces tough conditions money-wise but can open fast and gets a good trip.

7 Robthebank is much better than the latest results show and meets quite easy opponents here. Hasn't won yet this year but should have a good chance to win this. **11 Gilmore Trot** followed well as second last time. Has been matched in the V75 and with the right journey from here he is very early. Claes Eskilsson this time. **1 Dixiechick Hanover** can do better than last time. Good for this company and can open fast. The driver is a question mark though. **6 Babaris** does not win very often but has had a good season. Ulf Ohlsson now.
