8 Hotspot Simoni won last time. Met quite easy opponents, but the impression was really good. Difficult draw now, but this is a horse that can do it tough. Our pick. **11 Kiwi Sisu** has looked in good shape at the end and will be in the battle for victory despite this starting position. **2 Macho Man** is back after a pause. He is a quick starter and will lead the race for a long time. **12 Helan** has a tough draw and should mainly be seen as a place bet.

5 Noble Ale put in a good finish last time and is in good form for the day. Has a nice starting position and should be seen with the greatest chance to win in the race. **7 Kingdom Come** is good for this company. Fights for victory but needs some racing luck from this lane. **9 Fantastic Godiva** beat both Noble Ale and Kingdom Come from the lead last time, but has a lane in the second line now - which is a minus. **8 Love'n Cash** is not that bad for this class and could surprise with the right journey from behind.

2 Juno Beach is a quick starter and should have a good chance to find the lead immediately and he is then the horse to beat. Our winner. **11 Devils Tongue** is as good as our pick, but he has not raced for a while and this starting position is tricky. Normally in the battle for victory. **8 No Limit Royalty** got locked in with a lot of energy left last time. Is an early challenger despite this number. **4 Djang Limit** is good for this company and should not be overlooked.

4 Party Brodda kept up the pace alright last time. The form is still good and from a nice starting position he is our pick in a wide open race. **12 Sweet And Wild** has clearly improved at the end and in case of quick pace, she will pass most opponents over the home stretch. **1 Lord Of Tooma** is back after a pause and even if the form is hard to predict, the gelding should be considered early. **8 Bollinger Bishop** is in the mix as well if avoiding a mistake.
