American bike and early contender. **1 Putte** has his latest victory five starts ago and needs new starting points. Quick starter and offensive start. **6 Funcio** has been a bit up and down at the end and there is no guarantee of a good performance. Outsider.

3 Attitude Superb has really shown good form at the end and from a good draw he should be seen with a good chance of both leading and winning. **10 Marseille** hasn't won for a while, but has put in good efforts and seems in great form. **11 Kiss Me Sisu** comes from a heat and final at home track Kalmar where he first won in the lead and then got locked in with energy left. **2 Monaco** has completed his debut for the new trainer and should be improved by that run under his belt. Has to be considered.

9 You To XInt galloped possibly on the way to victory over the home stretch last time. Could find an early lead despite this handicap. Our pick. **7 Fearless Flier** put in a strong final lap to victory last time and got a well-deserved reward for his nice form. Contender again. **11 Ace Of Marke** has delivered nice times at the end and three starts ago it was also enough all the way to victory. **12 Peach** has made two starts after a longer break and really convinced. Will probably get a defensive trip here. Contender with some racing luck.

Normally an early challenger. **7 Giant Laser** makes his fourth start for new trainer Per Henriksen. Was improved a lot as fourth last time and should be considered too. **8 Sultan Of Sand** found the lead after 300 meters last time and was allowed to dictate the pace.
