5 Zätamustangen has taken two victories at the end and in between he has been locked in with energy left. Is the clear favorite for the lead. Good chance. **4 Rio Alta Wine** has taken the last two victories over today's long distance. Good draw and driven this time by Magnus A Djuse. **3 Bugatti Hall** won easily from the lead second last but never had a chance against Olly Håleryd last time. Easier now. **9 Jax Journey** made a break last time but had shown good form before that.

2 Stormyrans Lasse should have a good chance in this mediocre cold-blood race. Comes from victory and has a good chance to take the lead. **9 Bork Tekla** took two good second places this summer and challenges our pick. Has been a scratch for coughing though. Barefoot and bike this time. **4 Furderud Faksa** comes from a cheap victory. Exciting this time with Jorma Kontio. **3 Marodin** faces quite tough conditions money-wise but has a good draw and was quite close to victory as third last time.

3 Roadtohana had not raced for almost a year but won outright for his new trainer. Should be even better now and has a nice draw. Can open fast. **6 Any Given Sunday** is also quite fast from the start and comes from a second place at Solvalla. **11 Jaguar Journey** is exciting in his comeback after a very long layoff. Is good for this class and will now be driven by Claes Sjöström. **1 Odens Riff** has not won yet but has a perfect draw and Ulf Ohlsson is interesting.

7 Jongleur has been really good at the end against much better opposition than this. Was fourth last time behind Macao Keeper in a V75-final despite a tough journey. **5 Doldis** comes from a really good performance. Despite a bigger mistake from the start, he was able to win after a strong finish. Challenger. **8 David Frontline** has had a pretty good year. New driver. Possible behind the favorite. **3 Diva Lane** has also had a good season. Could take (over) the lead here.
