1 Henessi Joy has made an improved impression in both race this year and two starts back he won from behind after a quick finish. Here he probably takes the lead and has a good chance then. **3 Kipketer Mearas** was matched in tough companies throughout last year and did very well. Is tough and despite this seasonal debut he is an early choice behind our pick. **2 Nunja** has a nice lane for a defensive trip and Jepson certainly reaches a good position. Could challenge with the right trip. **6 True Blue** had energy left in the last race and is in good form.

1 Jason Express has always shown great talent and in the successful Törnqvist stable he will also get the chance to show it this year. Nice task and now with a run under his belt. His form should also be further improved. **5 Conrads Åke** was a bit up and down last year but also showed really good skills. Trainer Stenströmer sounds very pleased with him before this seasonal debut and he is on the way up. **2 Run Champ Run** is capable and got locked in with energy left in an elimination heat to Kriteriet last autumn. **4 Love Happens** has shown quite good speed but faces tough conditions money-wise.

5 Steady Victory has shown fine form for a long time and was not empty after a quick finish in the last race. The form is still good and even though he could get a tough journey here, he will not be easy to beat. **4 Great Time Trot** has shown a lot of promise and was successful last year. Has worked well before the seasonal debut and is fast from the start. **8 Run N'Cola** will not be easy to beat with the right pace and gets a journey from behind until the home stretch. **3 D.J. Spritz** is a bit up and down but really gifted when he is at his best.

8 Teton Okey Credit has been on a winning streak and won very comfortably in the last race. She has developed very well and shown that she is all-round. Should get a nice trip by Björn Goop from here. **2 Libertad** is a quick starter and with four career wins from the lead we expect an offensive journey. **5 Eketorpets Nellie** can open fast but will normally not be able to pass Libertad. With the right trip she could be dangerous over the home stretch. **9 Satsumas** is speedy with the right journey from behind.

3 Julia Menuncio was matched in tough companies last year and is reported to be training well ahead of this race. Should be the horse to beat from the lead. **6 Nightrain Boko** has shown good capacity for this class and the Rick Ebbinge stable is in fine form again. Barefoot and an American bike now are big advantages. **4 Dimension Trot** won easily from the front in the last race. Tougher opponents now but likes these conditions. **8 Frodo De Castella** is not bad at all and now he is going barefoot.

Despite the starting position and the seasonal debut, he should have top chance here. **4 Fast Food** was not at his best last time but should be improved. He has the speed and capacity to be in the mix here. **8 Ingmar Banker** has good speed and strength but this number is tricky. **10 Nagoia** has been on the way up but faces tougher horses here.
