5 Chanel Trio is gifted but not reliable. Last time she finished well as third behind two strong horses. She only meets mares and with the right trip she has the speed to beat these opponents. **3 Mona Moonlight** had got a run under her belt before the last run and was improved. Put in a strong effort despite a tough final lap. She can open fast and is driven by Jepson now. **1 Vicky Montoya** has not shown the right form at the end but is well drawn again. **7 Eva Kant Gar** has met tougher opponents at the end.

1 Speed Change followed strongly as a favorite in his debut and was then defeated by promising Magic In. Beat easy horses two starts back but looked nice and was fourth against tougher opponents on the Friday during the Elitloppet weekend. **3 Noah Schermer** has taken both wins from the lead so far. Is probably driven with an American bike for the first time. Interesting. **11 Jason Express** impressed in the debut and finished very well last time showing 12/800 meter. **8 Real News** has looked nice and is undefeated after two starts.

3 Golden Rain won easily despite a tough opening after 07/500. She competed in the Stoeliten two starts back and faces much easier now. **6 Cascabella** won easily too last time after a perfect trip behind Organzza. She is very fast from the start but needs a nice defensive trip until the home stretch. **7 Organzza** followed strongly from the lead last time and is in great shape. Quick starter but could get a tough trip here. **5 Charlotte Grif** has not convinced in two starts in Sweden but should not be overlooked, just like gifted **1 Ultra Violet**.
