He sets the standard on current form and is the one to beat. DURYTHME (5) has done very little wrong to date and could well be up to the task at hand so needs to be respected. DYPTIQUE (9) was just edged out at her last start and should be right on the premises once again. CHIARANIYA (8) handled the step up in class quite well last time out and should run another solid race.

Summary: SURVIE (3) has been a touch unlucky not to add a Group win to her cv just yet but looks perfectly placed in this race to get a Group two under her belt. She should love the trip and is the one to beat. CANDALA (2) needs to be forgiven for a below par last start which saw her finish well behind Survie but with the trip being in her favor, she could mount a huge challenge. MOSAIQUE (6) has proven herself over the trip but has a bit to do to match the form of the top two. TZAROVSKHA (4) is improving but looks a place hope at best.
