5 Lionel Mearas put in a great run on the outside last time. Now the opposition is easier and here it will be an offensive trip and the three-year-old is very likely to be in the lead early in the race, then he will be hard to beat. **6 Global Frenchie** comes from victory and should be seen as the biggest threat to our pick. **9 Ja Ba Da Ba Doooo** was nice from the lead last time. A completely different task now. **1 Livin High Sisu** follows nicely, but finds it hard to win.

4 Njord got locked in too long last time to be able to challenge the winner. Has won four out of 14 races and from a nice starting position, he should have the greatest chance to win the race. **6 Zicken En** is a quick starter and the favorite for the lead. This distance is an advantage and leads this race for a long time. **5 Ior Express** looked nice but got locked in against easier opponents last time. Gets a defensive trip again and could cause a surprise with the right trip. **8 Ålia Revolt** is not bad, but has a difficult starting position here.

8 Fantastic Godiva won in a nice way in Torneå last time and showed fine form. He can open fast and is the favorite for the lead. Our pick in an open race. **10 Fabulous Time** has galloped in his three starts, but should be better now. He is an early contender in this race. **3 I've Got Pepper** has a good starting position and he clearly has the capacity to fight for victory. **4 Camp David T.J.** is a decent horse that comes from Norway. In the mix with the right trip.

Uses to meet tough horses and can do it tough. In the mix. **7 Lill Elden** is in good form too. Faces tougher conditions now than last time, but can't be discounted anyway. **13 Källsjöving** held strongly last time. Has not won for a year, but it might be his turn now.

Normally in the mix. **10 Fantasy Sensation** comes from victory and this is a good horse for this class. **5 Perfect Sense H.C.** has galloped at the end, but is fast enough to be in the mix.
