RANK

8 Priscilla Håleryd kept up the pace well second last against really good horses, and last time she got a defensive trip. Is ideally prepared again and meets only mares. **7 Party Brodda** goes down in class here and Petri Salmela sounds happy with her. **5 Donna As** is capable and much better than the latest results show. Has a run under her belt now and our early favorite for the lead. **12 Juno Beach** performed brilliantly last time and is in top form. However, this number is very poor...

2 Helan is used to win and seems to even have improved in Finland lately. Last time he was superior in a good time on a wet track. **3 Galant Ima** is well prepared by Roger Nilsson. The horse has shown good form and has also been matched in the V75. Was good a bit behind the leader last time. **1 Beast** isn't bad at all but hasn't had a very successful season. **9 Marttistrip** scored a really nice victory four starts ago. The shape is a question mark though.

RANK

10 Jamie Sisu is both gifted and in good form. He shows the right attitude and wins very often. He has won after an early lead at the end and is our pick. **2 Barolo Gene** kept up the pace well on the outside of our pick last time and is better placed here. Interesting in the front. **12 Humble Stance** is in top form and comes with two strong efforts in a row. **11 Kissinger Boko** kept up the pace strongly as second behind a good horse last time.
