2 Mamie's Survivor has made three starts for Robert Bergh. Quite easy opposition now and he is the favorite for the lead. Once in that position, he will not be easy to reach. **5 My Great Pretender** seems to have found top form again after a period of galloping. With the right journey, he can give our pick a match for the victory. **7 Loviseholms Crown** owns good strength and this long distance is an advantage. **1 Lovely Ratzeputz** is better than ever and steps down in class.

4 Stensjös Henessi did well from the front last time. He is a quick starter, but could find it hard to reach the front and is vulnerable then. **9 Cooper T.M.** may not be in top form, but should be considered early in this quite open race. **7 Princess C.S.** made a strong effort on the outside of the leader last time and was not far from victory. **11 Classic Saar** returned after a short layoff last time and is usually much better with a run under the belt.

3 Kent's Marre galloped with energy left into the home stretch last time and looked dangerous for victory then. Good chance to win here instead. **5 Bearnard** has galloped a lot, but now he has avoided a mistake three times in a row. If he continues like that, he will fight for victory. **10 Bear Expectation** is a good finisher in good form and should be considered early. **12 Kozmo Simoni** is poorly drawn and could get a tough journey from far back.
