RANK

1 Money Matters is a top horse for this context. Most recently he was not at his best in the Breeders Crown. Back after a short break now and we expect him to be fine. He always runs with shoes and normally leads this throughout. Banker. **3 Huit** won in the V75 a year ago and has good speed. He has been poorly drawn lately. Quick starter. **12 Jax Journey** won easily from the lead after a quick finish last time. **4 Claw** has two wins in a row - both from the front. He clearly prefers to run in that position.

RANK

6 Høstbo Wille won the Dubbelcupen final three starts ago ahead of Zargo. Last time he was not at his best but the horse is working strongly now. **8 Guldhagens Pirat** was second in the Derby this summer and overall he has competed very strongly this season. He owns good speed but might not be in top form anymore and he faces older opponents too. **7 Gomnes Hans T.** prefers to race under the saddle but came back well after a gallop last time. **1 Kruson** is a quick starter and really good when he lives up to his capacity.

RANK

9 Flys Punk Rocker was very good in the V75 after an early gallop and a late opening in October and probably would have had a good chance with a better journey. Was strong again last time. Good chance. **11 Restricted Edition** held strongly in the same V75 race as Flys Punk Rocker. Was not as good last time but is working well. **4 Farao Eagra** is speedy but also a bit up and down. Reaches the front now? **13 Emperor Godiva** galloped on the way to victory second last.
