2 Ida Godiva has started her career very strongly. She is not in top form, but faces quite easy opponents and normally she should have top chance to win this. **11 Princessup** makes her debut for a new trainer and has shown good speed for this company. She has not started since September though. **10 Sweet Sensation** starts fast and should be even better with the last run under her belt. **12 Cha Cha Vendil** has faced quite tough horses and is possible here.

5 David Frontline has done well under the saddle. He faces good conditions here and has a pretty nice task, but there are interesting challengers. **7 Månskenstindra** comes from a strong performance in a sulky race. She tried this discipline for the first time two starts back and will probably be even better now. **1 Scarlets Ballerina** has made two starts under the saddle and seems to be enjoy it. Leads the race for a long time. **6 Atom Bet** likes tight starts.

8 Hibovalle has shown great form of late and is our pick here. Ulf Ohlsson again just like last time when the gelding put in a splendid sprint from far behind. **1 Backhammer** was defeated by our pick in the last race but got a tough race from first over and gave up at last. Certainly finds the lead here but we are not sure he will win. **3 Basisten** was close to win the last race and continues to show good form. **5 Alfred R.G.** uses to finish strongly.

9 Dirkschneider used to be up and down but seems to have found good form after the break. Looked splendid in the last race and he can win this in several different ways. **7 Norah W.Boko** has not quite lived up to the expectations yet. She has good capacity and if she is at her best he is good enough to win. If **1 Jeppas Zeppelin** lives up to his capacity, he will not be easy to defeated from the lead. **5 Global Fighter** has good skills, but is up and down.

4 Bjorn is back after a layoff and has performed well after a layoff. He has shown good speed and should have a good chance to lead this from start to finish. **3 Elegant Jet** got a nice trip in the comeback and gave a nice impression. With that run under his belt, he will now get a more offensive run. Defeats many opponents at the end. **6 Kipling River** is getting closer to a win. **11 New Lane** is handicapped by this lane but faces easier opponents here.

4 Sparky's Dream is coming from victory. It wasn't his best effort, but he hadn't started for a while and probably needed that race. Better draw now and our pick here. **7 Bottnas Justin** is the main challenger and would have been our winner with a better number. **8 Ruger** is good enough to win this but the form is a question mark. **2 Västerbo Maharani** has got two useful races under his belt after the break.
